EXM:5: 2023

2<sup>nd</sup> January 2023

The Diploma in Shipping Management & Logistics – First Year. Examinations will be held in March 2023. The Institute proposes to hold the final examinations offline.

NMIS has collaborated with Yashwantrao Chavan Maharashtra Open University, Nasik (YCMOU) from the academic year 2022-23. As per the guide lines of conducting examination, we have to conduct internal exam of 20 marks for each subject and Final (external) exam of 80 marks for each subject. Considering our volume and students locations, the Academic Council had decided to conduct the internal exam via Google form in MCQ type.

The internal exam will be conducted after completion of filling exam forms by the students. There won't be ATKT for the internal exam. **The marks secured in the internal exam will be frozen till you clear the subject.** This means that, if you get ATKT in first year, then you have to appear only for 80 marks exam for a subject for which you are a repeater and won't be allowed to appear for the internal exam again. You are requested to get ready for the exam for each subject.

It is proposed to conduct the **Associateship and Diploma in Shipping Management & Logistics** examinations at **Sagargyan, MTI Powai, Mumbai.**

Candidates registered for this course may please ensure that they submit to the Institute the Model Test Papers (assignments) duly answered **through e-mail immediately.** Non-submission of at least **2 of the Model Test Papers**, duly answered, may result in rejection of their examination application form and require a **minimum of 75% attendance** to be eligible to appear for the examinations. Short of 75% attendance may result in rejection of their examination form.

For members and students who have not yet submitted duly attested copies of their birth certificate, educational qualifications and experience certificate in original from their employers, are requested to please do so immediately. Non-submission of the said documents may result in rejection of the exam application.

The students/candidates, who are yet to pay the balance course fees, are required to pay the same immediately. Otherwise, these students will not be allowed to fill up exam form and will not be permitted to appear for exam.

The examination form can be filled from our website (which will be uploaded on 05.01.2023). This is to be submitted along with examination fee, subscription or arrears, if any should be paid by 31st January 2023. It is mandatory to complete full details as required in the examination form.
